

*Scribe\* for the*  
**DIVAhhh Inaugural Weekend**

**November 19 - 21, 2004**  
**Haarlem, Netherlands**

The weather was there and the people were beautiful for the DIVAhhh R\*n #1! The meeting point was at the aptly named “Bitch Park” in Haarlem and everyone came looking glamorous although some more than others. *Lois Lane* decided to wear her bra inside out and the late comers were punished accordingly. *Postman Prat* tried to catch up with the pack but decided that he first needed a mud bath to enhance his ever present glow. *Missing Link* had a problem navigating to the start point but got *Hummingbird* to the start in time, while *Rubber Ron* had a bit of a problem with a tire and everyone was relieved to see that he chauffeured *Eau Naturelle* to the start as well as the beer to the beer stop.

A glam group of guys and gals then set forth on the trail laid by *Sex Ed* and *Yark Sucker*; and if you have never been laid by *Yark Sucker* or *Sex Ed* you do not know what you are missing! We wended through some great scenery while getting lessons in Dutch history from *Sex Ed* and the other Haarlemites. It seems that back in the day some invading forces had tied all the men together and thrown them into the canals. More about this fetish later. Everyone arrived at the beer stop just in time for the hail to arrive and we all cuddled together for beer and wine. Then it was “On On!” back to the park where we were met by more hail, more beer, and a slew of visitors.

The circle started and the sins of the bold and beautiful were given out at an astonishing pace. Here are the punishments:

Hares – *Yark Sucker* and *Sex Ed*  
Crappy weather – RA – *Yark Sucker*  
Latecomers – *Postman Prat* and *Missing Link*  
Flat tire – *Rubber Ron*  
The *hares* again for what could have been a 400m trail  
Glam offense for improper bra wearing – *Lois Lane*  
Glam offense for wearing gloves – *Rumple Foreskin*, *Take-a-Leek*, *FuGaWi*,  
and *Taxi Ho*  
Glam reward for Toy Boys not wearing shirts – *Rumple Foreskin* and *Lois Lane*  
Glam offense for no glam at all – *Take-a-Leek*, *Postman Prat*, and *Shoot in the Looms*  
Virgin – *Gudron* (it’s gonna be hard giving her a hash name!)  
Birthday girl – *Pussy Galore*

During the punishment stage of the circle many others had the opportunity to commit sins right before our very eyes namely *Windows NT* for carrying a DIVAhhh voodoo doll. In keeping with Haarlem tradition, *Sex Ed* proceeded to tie *Windows NT* and *Goldenflow* together using ceremonial orange Dutch Duct tape. They weren’t thrown in the canal but

forced to drink for using too much mojo in the circle. About this time, the ever illegally parked **Sex Ed** had a visit from the police. If you were at Belgian Nash Hash '03 you remember that **Sex Ed** has a way with the police and gets away free just for flaunting her “glam pillows” in the face(s) of authority. But this wouldn't do today because said authority just happened to be **Divas** themselves. And nice looking **Divas** at that! Although she couldn't “flash” her way out of this ticket, **Taxi Ho** took it upon himself to get a few pics with the lovely ladies. And into the circle he went. **Rubber Ron** tried to talk his way out of a flat tire offense but showed the group that his **Diva** was the one wearing the panties in this relationship by ending his sentence with “Eh”. Those damned Canadians must be stopped, eh! Another visitor stopped by to tell everyone that this day had been designated “**Shake the hand of a stranger day**” in Haarlem. I'm still looking forward “get a blowjob from a Diva day” anywhere in the world!

Many more offenses were rewarded, the Hash Hymn was sung, and with the weather being what it was everyone scurried back to their hotels for hot showers in order to be ready for the party that night that turned out to be a marvelous mélange of hashers and non-hashers all dressed to the nines. Especially **Taxi Ho**.

**On On to the next DIVAhhh r\*n!**
